55,000 hrs

The Eavesdale range incorporates an unobtrusive powder-coated steel spun body with a multi-faceted reflector and fitted with Tridonic high efficient LED components.

Supplied as CRI 80 as standard, with a high colour stability of 3 MacAdam steps, the Eavesdale is available in a black, white or grey finish and 3000K warm white or 4000K cool white colour temperatures and along with a range of control options. The emergency range of the Eavesdale are fitted with the latest lithium iron phosphate LiFePO4 battery technology, which has a 3-year battery warranty.

The Eavesdale range seamlessly integrates with Trojan's standard options, offering choices such as dimmable functionality and emergency configurations. Additionally, these luminaires can be seamlessly integrated into our intelligent lighting systems through wireless options, ushering in a new era of versatile illumination solutions.

Part code	Power W	Output lm	Efficacy lm/W	CCT K	CRI	Weight kg
TLEAV/1000/3K	8	1010	126	3000	80	1
