50,000 hrs

The Flaxton range incorporates a powder-coated steel body and acrylic opal diffuser which produces a homogeneous illumination. Available as 600mm and 1200mm diameter and supplied with 1.4m suspensions.

Supplied as CRI 80 as standard, with a high colour stability of 3 MacAdam steps, the Flaxton is available in a black or grey finish and 4000K cool white colour temperature and along with a range of control options. The emergency range of the Flaxton are fitted with the latest lithium iron phosphate LiFePO4 battery technology, which has a 3-year battery warranty.

The Flaxton range seamlessly integrates with Trojan's standard options, offering choices such as dimmable functionality and emergency configurations. Additionally, these luminaires can be seamlessly integrated into our intelligent lighting systems through wireless options, ushering in a new era of versatile illumination solutions.

Part code	Power W	Output lm	Diameter mm	Height mm	CCT K	CRI	Weight kg
