

# WHEATLEA RANGE

## DIRECT/IN-DIRECT VERSION

 **IP40**
 **IK05**
 **L80/B50**  
 100,000 hrs

The Wheatlea range is a high-quality linear luminaire that boasts LG7 compliance with its low glare micprismatic diffuser makes it both visually pleasing and suitable for various installations. Available as a single stand-alone fitting or as a continuous system with various size blanks,

The Wheatlea is available in 3000K and 4000K offering a range of lumen packages to suit any environment. It is energy-efficient, flicker-free, and produces minimal heat, ensuring a long lifespan of at least 100,000 hours. This makes it an ideal, eco-friendly choice for commercial and retail applications.

The Wheatlea range seamlessly integrates with Trojan's standard options, offering choices such as dimmable functionality and emergency configurations. Additionally, these luminaires can be seamlessly integrated into our intelligent lighting systems through wireless options, ushering in a new era of versatile illumination solutions.
