

TROJAN

INTELLIGENT LIGHTING SOLUTIONS

PICCOLO

- Micro-sized design showcase lighting
- Unique optical design, fine surface treatment
- Perfect for your boutique & retail experience
- Emphasize the value of product

PICCOLO

PICCOLO is a breakthrough small-scale innovation aimed at lighting methods for store windows, ensuring that displayed items are clearly visible without any obstacles. The sleek yet powerful products not only boasts excellent lighting performance but also effectively enhances the presentation of the showcased items.

Equipped with the latest generation of LED light sources, available in light colour 3000k and 4000k, PICCOLO ensures high quality, efficiency, and exceptional colour rendition. Its introduction completely transforms the lighting paradigm of display cabinets, allowing the comprehensive showcasing of merchandising.
